

Part-time CFO – 3 days per week

Reporting to our CEO, you'll drive financial excellence of the Company's Global operations across UK, Europe, the US and APAC. Harnessing the strategic vision of the company you will provide key financial advice and support as we continue on our path of fast grow.

About us:

We are Foresight Factory, the consumer data and trends experts. We select the right trends for global brands that will deliver maximum growth. We challenge our clients to act and think differently about their consumers and their motivations.

Say hello to Foresight Factory online – a powerful platform which our clients subscribe to to access our proprietary trends and data. Our algorithms and technology connect brands to the right trends. We make trends actionable and insightful.

Supported by our values of being predictive, bold, critical, genuine and empathetic, we like each day to be a little bit different. With offices in London, New York, Seattle and Singapore our culture, whilst hardworking, is relaxed, fun and sociable.

The sort of things you'll be doing:

- ▶ Act as the finance leader in the company, providing analytical insight and help with development of business strategy.
- ▶ Act as an advisor to the CEO and board on long-term financial strategies such as capital, investments and funding decisions.
- ▶ Drive and oversee the budgeting and reporting process
- ▶ Line management of in-house accountant and liaison with external bookkeepers, accountant and service providers to ensure full integrity in all transaction data
- ▶ Leadership on and oversight of the compilation of monthly management reports including P&L, balance sheet and cashflow forecasts - including scenarios based on sales/renewals/hiring and growth requirements.
- ▶ Ownership of financial duties to include annual filings, digital tax, R&D tax credits, payroll, PAYE and obligations relating to our foreign subsidiaries.
- ▶ Review of financial activity to-date, retrospectively looking for opportunities or improvements that will enhance efficiency/effectiveness.
- ▶ Ensure compliance with government regulations and legislation.
- ▶ Assistance in preparing for any future financing events should they occur, responding to outside requests as required.

Requirements for the role:

- ▶ A passion and energy for understanding what makes consumers tick
- ▶ A flawless track record regarding ethics and compliance
- ▶ 10 + years CFO experience within an enterprise environment
- ▶ Experience in international operations with the ability to work across regions.
- ▶ Ability to effectively scale a growing business, notably on designing and executing funding strategies
- ▶ Experience and solid understanding of debt funding, covenants and management.
- ▶ Experience of working with outside investors and solid understanding of the mechanics that drive investment decisions.
- ▶ Strong academic background - degree educated or similar with ACCA/CIMA/ACA qualification.

A few of the benefits:

- ▶ Pro-rata salary £81,000 per annum,
- ▶ Participation in company wide bonus scheme
- ▶ 28 days of annual holiday plus all public holidays (will be pro-rata for this role)
- ▶ Fruit, snacks and lots of tea, coffee and cold beverages
- ▶ A relaxed working environment with a casual dress code
- ▶ Team building, social events and random fun nights out!

After you've settled in:

- ▶ Flexible working
- ▶ Work place pension
- ▶ Season ticket loan
- ▶ Cycle to work scheme

How to apply:

Please send your cv and a brief covering letter (no more than 300 words) telling us why you are interested in working with us to lucyj@foresightfactory.co

CLOSING DATE FOR APPLICATIONS 31 December 2019

Please note that only those successfully selected for interview will receive a reply. We therefore thank you in advance for your interest in working with us and taking the time to apply.

We will not be engaging an agency for this role. Unsolicited CVs will not be accepted and phone calls with respect to this role will not be accepted at this time.
